

INTERNATIONAL 420 CLASS ASSOCIATION

420/470 Junior European Championships

Dear 420 Class members and friends,

Further to the announcement made on 31 March 2020, after careful consideration, we regret to inform you that the International 420 Class Association, in conjunction with the International 470 Class Association and the local Organisers, have taken the decision to cancel the Junior European Championships to be held in Golfo di Gaeta, Italy from 25 July to 1 August 2020.

Our primary concern is always the safety and wellbeing of our membership and volunteers and we concluded that cancelling the championships is the only viable course of action under World Sailing's guidelines at this time. Both Classes intend to monitor the situation and will make every effort to reschedule this event towards the end of 2020. We will consider all options, including combining the Junior European Championships with another existing event.

A final decision regarding the 2020 World Championships will be made by mid April as previously stated.
