US Sailing ODP/GCYSA Clinic: February 19-21

I420 Midwinters: March 5-6

Come to Texas for some warm weather sailing while the rest of the country thaws out! Send the trailer over from Florida after NA's and compete in a two regatta series with points available for 2016 Worlds and Junior Europeans qualification.

Join GCYSA and Leandro Spina of the US Olympic Development Program for a three day clinic with guest ODP coaches. Teams are welcome to bring their own coaches as well to create a truly joint training opportunity. For more information on the ODP see [ussailing.org/olympics/odp/](http://ussailing.org/olympics/odp/)

Fly in and out of Houston Hobby, 35 minutes away from the club, and leave your boats rigged at TCYC for the duration. We are also happy to offer trailer storage on site.

We also open an invitation to all I420 sailors to join our weekend practices with GCYSA Coach Sarah Lihan. Available clinic dates include: February 6-7, February 26-27, March 19-20, March 26-27, April 2-3. Clinic Fee \$150/boat per day.
